**NOTE: Please see an employee for an explanation of limited transfers or withdrawals.**

### Go Green!

**As a CVB customer**, you may link all or any portion of your accounts on a combined monthly statement. This includes checking, savings, loans, certificates of deposit, etc.

*This permits you to receive one statement, as opposed to multiple ones, and helps CVB to promote our efforts in becoming more "Green". You may also elect to go paperless and receive your statements electronically with CVB's e-statements.*
